**1 DELAWARE ROAD- SPOT COFFEE**

The applicant is represented by Debbie Maxie. The sign will not be lit. Michael Foster thinks the sign should be closer to the door.

Thomas Fleming agreed and approved what was presented but fears it will get lost in that black corner.

Mr. Foster wants the sign positioned out of right of way and relocated between the two sets of windows.

Mr. Foster motioned to accept signage on walls as presented and with the recommendation that projections be moved between two windows.

Seconded by Mr. Fleming and adopted by a full vote of all members present.

**3053 DELAWARE AVENUE – LASHTACULAR LASH BAR**

Applicant is presenting an awning sign to be placed over stucco. The fabric will be Ferrari with digital printing laminated once it's printed. This, he states, is the highest quality available right now.

Frederick Frank moved to approve as presented.

Seconded by Thomas Fleming and adopted by a full vote of all members present.
