Re: Street closure
Date: April 9, 2024

Kathleen,

Our block association would like to have permission to barricade East Girard Blvd. The purpose of the permit will be to close the street from traffic for the spring planting of the island on this block. We are anxious to get the island looking beautiful again for the summer after a long, snowy winter.

We would like to have the street blocked on Saturday, May 18, 2024 from 9:00 AM-12:00 noon.

Please let me know if there is anything else that I need to do. Thanks, in advance.

Best,

Peggy Ivancic
