The Village Board has approved a new local law amending the "Winter Parking Ban". The new law requires off street parking between 2 AM - 6 AM from November 15 through March 15.

In effect, this reduces the length of time of the ban by 1 month. Previously, off street parking was required November 1 - April 1.

Given the extended weather forecasts, the Village Board has decided to not enforce the off street parking regulations until 2 AM on December 1st.

It should be noted that the Municipal Code does authorize the Village to implement off street and other parking restrictions, if need be.
