The applicant was not in attendance and had not submitted a full application.

Andrew Ross moved to table this agenda item, pending receipt and review of a full application.

Seconded by Bruce Shearer and approved by all members in attendance.

2260 ELMWOOD AVENUE – KWIK FILL (FORMERLY RED APPLE) SIGNAGE

Thomas Voigt asked the Building Inspector to review the landscape requirements.

Bruce Shearer noted that the available space is pretty tight, and that landscaping can't fit in the existing space.

Bruce Shearer moved to approve, as presented, contingent that, in lieu of landscape at the base of the pole sign, planters be placed near the building by the entryway, provided this can be done without impeding the walkway.

Seconded by Andrea Czopp and approved by all in attendance.

3030 DELAWARE AVENUE – ENCHANTED HAIR & LASH SIGNAGE

This property is the former Sterling Glass. The applicant, Tanya Murcello, is present, requesting approval for a sign permit. The signs would be black and grey and lit with existing lights on building.

Bruce Shearer motioned to approve, as presented subject to final review and approval of the Building Inspector.

Seconded by Andrea Czopp and approved by all in attendance.
