Applications should be submitted at least 1 week before closing to avoid any interruption in service.

**The Water Department** will also need to schedule an INTERIOR inspection of your meter to get the starting read and to check that the meter is working correctly. To set up your inspection, please call: **(716) 873 – 5700**

**We cannot set up accounts for Tenants.** Only the Owner or legal representative may open a water account.

**Failure to set up your water account or denying interior access to your meter is a violation of the Municipal Code and can result in termination of your Water Service.**
