Subject: block party for Parwood Avenue

Good morning!

My name is Molly Wade and I live at Charleston, on the corner of Parkwood and Charleston. I would like to request a permit for a block party on Saturday, July 27th starting at 1pm. We would like the permit to be for the block of Parkwood between Colvin and Charleston.

Also, we have set a rain date for the block party for August 3rd, same time and same location. How does that work?

Thank you and have a great day!

Molly Wade

Subject: Block Party Permit for Kenmore United Methodist Church

Dear Ms. Johnson:

Please allow this email to represent an official request from Kenmore United Methodist Church to host a Neighborhood Block Party on Landers Road (between the cross streets of Delaware Ave. and Delaware Road) in the Village of Kenmore on August 10th, 2024. Our rain date will be August 11, 2024. We ask that the street be closed to traffic from the hours of 1pm to 6pm. The party itself will run from 3pm to 5pm.

I am the primary contact for the event.

Thank you for your assistance with our obtaining a permit.

Is this still the correct email for a block party request? If so, the first block of Argonne between Delaware and Myron would like to request to have ours on September 1, no rain date.
