Subject: Argonne Drive Block Party

Good morning,

I am emailing to request a block party for our street. My name is Katie Stricker and my phone number is

Our block - Argonne Drive between Myron Ave and Rowley Ave, would like to have a block party on October 4, with a rain date on October 18. We would like to close the street to external traffic from 10 am to 10 pm to ensure everyone on our block has the opportunity to participate - we will have daytime activities specifically for kids and evening activities for everyone. We are hoping that everyone will find time within that range to come out to meet their neighbors and create community.

Please let me know if you have any questions or concerns, or if there is any required request information that I have overlooked.

All the best,

Katie Stricker

Attn: Village Board

We are kindly requesting street closure for a block party on Saturday, August 23rd, 2025 for Kenwood Road, located between Delaware Avenue and Delaware Road. Our party is tentatively scheduled for 10am-9pm (we are usually finished before 9pm). We do not have a rain date at this time. We would like to request a visit from the Fire Department as well if they are available that day (I can reach out separately to request this if that is what is required).

Please let me know if you need any additional information.

Many thanks,

Michelle Helles
